PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA CIB Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center (PIC (DLA)). The photographic analysis for this particular report was performed by the Production Center (PIC).

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (I) equipment storage maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

25X1A

25X1A SUMMARY

25X1A

25X1A

Lvov Army Barracks Central [REDACTED] is near the center of Lvov. The road-served installation occupies about 70 acres and contains a U-shaped administration building, seven barracks, 11 storage buildings, and 23 support buildings.

Lvov Quartermaster Depot [REDACTED] is in the western part of Lvov. The depot covers approximately 43 acres, is fenced, and rail and road served, and contains 12 storage buildings and two support buildings.

DESCRIPTION OF INSTALLATION

Railroad Service

A rail siding circles the quartermaster depot and a probable spur line enters the depot.

Road Service

Both areas are road served from city streets.

Administrative and Troop Housing Area

Area D contains one U-shaped, multistory

administration building, four multistory barracks, three barracks, and 13 support buildings.

General Storage Areas

Area E1 contains 11 storage and 12 support buildings. Area E2 contains 12 storage and one support buildings.
